Junior Prom

The Junior Prom was held on April 26, 1991 in the Weymouth High cafeteria which had been transformed from its usual appearance to a world of balloons entered through a balloon arch. Due to the hard work of the Prom Committee, the evening was a great success.

Homecoming

November 16, 1991 was a very important day to Weymouth High. That morning, the Boys Cross Country Team placed fifth in the state. That afternoon, the football team crushed Plymouth. That evening, history was made when the Boys Soccer team won the first Weymouth State Championship. All victories were celebrated at the Homecoming Dance. The king and queen were Matt Lang and Michelle Prewitt. Members of the court were JJ Chella and Jackie Leitao, Damien Newman and Kristen Belmarsh, Jake Bronchuck and Jessica Leonard, and Scott Devonshire and Andrea McGregor.

Pep Rally

On Thanksgiving Day, 1991, a tradition was re-established in Weymouth: the football game against Brockton. The students of Weymouth High worked hard to show their class spirit by decorating the gym and staging one of the most enthusiastic pep rallies the school had ever seen. The school spirit generated by the rally led the football team to an upset victory, affirming that Weymouth High has become a superpower.

Yearbook

This year's Yearbook Staff worked very hard to provide the Senior class with memories to last a lifetime. Spending up to four hours a night, the staff overcame many challenging obstacles with the help of Mr. and Mrs. Worcester. We hope that everyone will enjoy The Imprint for years to come. Thank you to all those who helped us put our book together.

The team came in second in the OCL and then never lost another game, becoming the South Sectional Champions, the Eastern Mass Champions, and eventually the Massachusetts State Champions for Division 1. A team cannot possibly do this without constantly improving and having a team chemistry that is unbeatable. We carried 24 players on the tournament roster, and every one was involved in tournament play. We are graduating twelve seniors, all of whom played key roles for our team. We will miss these players, but we do have a strong nucleus of returning players to carry out where we left off this season: WINNING! Congratulations to the following players for making the OCL ALL-Star Team: Jason Scott, Kevin Joyce, Scott Devonshire, Glen Rennie, David Schneider, Jason Marsh, and Ken Ziniti.

CENTRAL ADMINISTRATION

The class of 1992 at Weymouth High School/ Vocational Technical High School contributed to and was shaped by the consolidation of a year ago. That experience seems to have served as a source of special strength and vitality out of which has come considerable individual and group accomplishment, a clear unity, and a source of pride that is both earned and deserved. I am grateful for your effort and value the important part you played in developing the quality reputation of the new school.

Robert West
Superintendent of Schools

Congratulations to the Class of '92. You have successfully completed thirteen years of public education. This is just the beginning of a lifetime of learning. Observe, listen and read and you will continue to be an active learner and responsible citizen.

John P. Hackett
Associate Superintendent of Schools

PRINCIPALS

By the time you read this message I will have retired and taken a new residence in Monmouth, Maine. I know after thirty five years service to the Weymouth children, I will have many regrets about leaving. I loved my job and I loved working with "kids." The class of '92 has always been a favorite and I wish you well upon graduation.

The years will pass and I'll grow old
But I'll never forget the maroon and the gold
The time has come and I must confess
I miss you all. Good luck. God bless.

Edward W. Knight Jr.
Principal

High School . . . a time to enjoy; a time to learn; a time to grow. This phase of your lives has ended, and now another begins. I feel confident that we have provided each student the opportunity to secure the best possible education. I urge you to continue to pursue every avenue of your education. As you move forward in new directions you will take with you my personal best wishes for continued success. Good luck and congratulations to the class of 1992.

Richard J. Steele
Principal

Congratulations to the class of '92. I have enjoyed working with you and wish you success in all your future endeavors. Remember "To climb steep hills requires a slow pace at first."

Anthony F. Ciampa
Assistant Principal

PRINCIPALS

Congratulations to all members of the Class of 92. I wish you only the best as you leave us to further your education or join the world of work. You have succeeded at one level of life. Continue to strive for excellence at all other levels.

Ray T. Granal
Assistant Principal

A man by the name of Napoleon Hill once did a massive study of 500 people who had achieved an unusually high degree of success in their businesses and professions. He found that different ones in his study had different characteristics which helped them succeed. But the one characteristic that was common to them all was persistence. Mr. Hill concluded that persistence was the one absolute necessity for success in any endeavor. It's the "Common Denominator" of all successful people. It's the ability to carry a task or project through to completion that separates life's winners from mediocre, half-alive individuals, and all that's required to be persistent is a high degree of self-discipline. You have demonstrated by graduating that you can complete a task, that you have self-discipline, and that you have the potential to be life's winners!
Best wishes!

Eugene Stenstrom
Director of Occupational and
Vocational Education

Congratulations to the Class of 1992. Fond memories will remain with us at the school long after you have graduated. Best wishes for all future endeavors. "Be the best you can be."
